- **6515-00-000-0081 (25G X 1 in.), 50s Safety Glide**

The Supply Service Center has commenced taking orders for the 2014-2015 Influenza Virus Vaccine. All ordering activities are advised to consolidate their requirements for the 2014-2015 flu season and place their orders as soon as possible so we can better plan to meet customer needs.

The composition for the trivalent U.S. 2014-2015 influenza vaccine season contains the following:

- A/California/7/2009 (H1N1)-like virus
- (H3N2) virus antigenically like the cell-propagated prototype virus A/Victoria/361/2011
- B/Massachusetts/2/2012-like virus.

We request that requirements for this vaccine be submitted as a separate purchase order since orders will not be processed until stock is available. Additionally, no orders will be processed unless accompanied by the appropriate purchase information. **Notification of any address change or hours of operation need to be confirmed before delivery.** We encourage all customers to fax their orders to (410) 642-1392 or contact customer service at 1-800-642-0263 or 410-642-2244.

At this time, **delivery to SSC is expected to be within the 2nd week of September**. Please note, this delivery schedule is subject to change and is at the discretion of the manufacturer. We will advise our customers of any change in the delivery schedule, if any, when we are notified.

The manufacturer of the 2014-2015 Influenza Virus Vaccine multi-dose vials **Flulaval®** is GSK. Please note that Flulaval® multi-dose vial is for ages 3 years and older and contains a small amount of preservative. The manufacturer of the Influenza Vaccine prefilled syringes **Afluria®** is BioCSL. Afluria is intended for 5 years and older and is preservatives free and the stopper is latex free. **Please notify us if you have patients younger than 3 yrs. that require vaccination.**
