BULLETIN NO. 7

April 7, 2011

## URGENT PRODUCT WITHDRAWAL

Dear Valued Customer:

This bulletin is to inform you of an OTC product recall involving Povidone Iodine Prep Pads, manufactured by H&P Industries, Inc. (distributed by Triad Group).

This recall has been initiated due to concerns expressed by the Food and Drug Administration regarding the potential contamination of these products with an objectionable organism, *Elizabethkingia meningoseptica*. H&P's internal investigation also concluded a raw material component as the potential source of this contamination.

This recall includes all lots of Povidone Iodine Prep Pads beginning with the digits 8, 9, 0 or 1. The product subject to this recall began distribution March 2008. Please be aware that the Povidone Iodine Prep Pads are components in a variety of kits. If you have a kit containing the recalled Povidone Iodine Prep Pads, discontinue use and contact supplier of the kit.

We ask for cooperation in taking the following action:

- Please examine your inventory, and if you have the recalled product in question immediately cease distribution / use. The affected Povidine Iodine Prep Pads can be identified by the labels listed below.
