VOLUNTARY PRODUCT RECALL

Dear Valued Customer:

Triad Group has initiated a recall on all lots of Alcohol Prep Pads, Alcohol Swabs, and Alcohol Swabsticks. The affected products can be identified by either "Triad Group", listed as manufacturer, or the products are manufactured for a third party and use the names listed in their packaging: Cardinal Health, Pss Select, Versapro, Boca/Ultilet, Moore Medical, and Conzellinuse. This recall includes both sterile and non-sterile products which are packaged in individual packets and sold in boxes of 100's, (refer to attached file). This recall has been initiated due to concerns from a customer about potential contamination of the product with the bacillus cereus organism.

Use of contaminated Alcohol Prep Pads, Alcohol Swabs and Alcohol Swabsticks could lead to life-threatening infections, especially to patients with a compromised immune system and patients who have undergone surgery.

Listed below are Triad Group Alcohol Prep Pads, Alcohol Swabs, and Alcohol Swabsticks that may or may not be in boxes of 100 packets.
